

Do you enjoy being out and about in the field and making a difference in the environment? Te Ngahere is a passionate company that is focused on restoring and protecting New Zealand's biodiversity and native environment. Our staff all share the same goal of wanting to see a positive change in our environment. We are a company that is committed to leading the field in the ecological restoration of NZ.

We provide outstanding specialist services in:

- The restoration of native environments
- Invasive plant and animal control
- Biosecurity surveillance and response work
- Ecological assessments and restoration plans
- Native plantings
- Project management
- Assisting community groups with their projects
- Engagement and behavior change – advocating for environmental projects

We are looking for team members to join our company based in Avondale, Auckland.

Applicants must have:

- Good level of fitness
- Desire to work outdoors
- Full driving license (NZ class 1)
- NZ Citizen or NZ Permanent Resident status or valid NZ work permit
- A passion for the natural environment and its protection
- Positive can-do attitude and the ability to work well in a team
- Ability to work away from home during the working week

It would be beneficial to have:

- Experience in similar roles
- Knowledge of invasive plants and their effective control
- Knowledge of plants native to NZ
- Current First Aid, Growsafe and other relevant qualifications in environmental management

If you have a passion for the environment and ecological restoration we would love you to be a valued member of our team.

Please apply with a full CV and cover letter outlining your relevant experience.

Applicants for this position should have NZ residency or a valid NZ work visa.
